

Online Payments

COLLECTING MONEY HAS NEVER BEEN EASIER.

AtHomeNet offers the ability for associations and companies to accept online payments on their websites. This service is offered in partnership with DuesPayment and has no minimums, set-up or monthly fees.

With **Online Payments**, residents or visitors to your site can quickly and easily pay for:

- Association dues and assessments
- Rental fees
- Fees for clubs and social events
- Plus they can sign up for recurring charges
- And much more!

An online payment solution for your AtHomeNet website.

Multiple
payment options
accepted for online
payment of dues,
including: Visa®,
MasterCard®,
Discover® and
E-Check.

It's simple to get started. Call us or visit the www.AtHomeNet.com website and request an **Online Payment** application. Once your application has been processed, an online payment link will be added to your website.

Certain accounting software systems—such as **TOPS Software** and **Jenark**—interface directly with the **DuesPayment** system. This enables payments to be directly downloaded into these programs.

For pricing or additional information on **Online Payments**, please call or visit us online.

Share. Inform. Educate. Communicate.
